F. Internal Memoranda, Progress Reports, and Working Papers

- Ehrenfeld, J. R., "Action, Change, Learning, and Design," MIT TBE Working Paper, April 1996.
- Nash, J., and J. R. Ehrenfeld, "Private Codes of Management Practice: Assessing Their Role in Environmental Protection," MIT TBE Working Paper, May 1995.
- Gertler, N., and J. R. Ehrenfeld, "Industrial Symbiosis in Kalundborg: Development and Implications," MIT TBE Working Paper, August 1994.
- Ehrenfeld, J. R., "Design, Strategy, and Human Action," MIT TBE Working Paper, January 1994.
- Ehrenfeld, J. R., "Two Faces of Eve: A Search for Large-scale Systems," For the MIT Large-scale Systems Committee, May 13, 1991.
- Ehrenfeld, J. R. and E. Craig, "Waste Incineration: An Agenda for Action," HSMP Working Paper: WP-15, CTPID, MIT, November 1988.
- Ehrenfeld, J. R., et al., "Waste Incineration: Confronting the Sources of Disagreement," HSMP Working Paper: WP-14, CTPID, MIT, November 1988.
- Cassel, S. and J. R. Ehrenfeld, "Beyond Collections: Managing Household Hazardous Products," HSMP Working Paper: WP-13, CTPID, MIT, October 1988.
- Zielinski, R. and J. R. Ehrenfeld, "Unregulated Hazardous Waste Quantities: The Impact on Capacity Planning," HSMP Working Paper: WP-12, CTPID, MIT, August 1988.
- Ehrenfeld, J. R., et al., "Benefits of Prevention of Significant Deterioration Legislation," Position paper and analysis, USEPA, November 1975, unpublished.

G. Invited Lectures and Papers

- "Sustainability Isn't Working: Try Flourishing Instead" Institute for Management & Innovation| University of Toronto Mississauga, October 30, 2017.
- "Sustainability Lives in Another World" RSD6 International Conference, Oslo, October 18, 2017.
- "Sustainability: Reaching Far Beyond Technology" Monterrey Institute of Technology, Monterrey, Mexico, November 6, 2015.
- "A Sustainability Vocabulary Lesson" EPA Regional Planning Network, EPA, Washington, DC, December 9, 2014
- "It's Flourishing, Not Sustainability, that Should Be Our Aim," ISE/CHRMS Seminar Series, Fairleigh-Dickinson University, March 5, 2014.
- "Flourishing: A Frank Conversation about Sustainability," Case Western Reserve University, February 7, 2014.
- "Commencement Address" Marlboro College, August 24, 2013.
- "Sustainability by Design," Presented at Sustainable Futures 2002: The Jim Leslie Learning Forum, Banff, February 14-17, 2002.
- "Industrial Ecology—An Idea Whose Time Has Come?" Presented at the 4th NTVA Seminar and Workshop on Industrial Ecology, Trondheim, Norway, June 14-15, 2001.
- "It's Sustainability, Stupid or Can the Electronics Industry Save the World?" Presented at the IEEE International Symposium on Electronics and the Environment, Danvers, MA, May 11-13, 1999.
- "Will Information Technology Produce Factor 4-10 Reductions in Energy and Material Consumption?" Presented at the European Telematics Conference and Exhibition, Barcelona, February 4-7, 1998.

- “Putting the ‘Product’ into Production: Improving the Likelihood of Achieving Sustainability,” Presented for the Brundtland Commission’s Report -- 10 Years Workshop on Sustainable Production and Consumption, Oslo, Norway, October 3-4, 1997.
- “Industrial Ecology & Corporate Culture Change: An Essential Step in Moving Towards Sustainability,” Presented in the Connecting Business & the Environment Seminar in Industrial Ecology, Cornell University Johnson Graduate School of Business, Ithaca, NY, April 28, 1997.
- “Integrated Environmental Management: Strategies for the Sustainable Firm,” Presented at the Symposium on Adaptive Strategies for Future-Oriented Techno-Industries, Kon-Kuk University, Seoul, Korea, September 12, 1996.
- “Science and public controversy: A rowdy alliance,” Remarks for the MIT Chlorine Conference, Cambridge, MA, June 12, 1996.
- “ISO 14000 and Responsible Care: What Kind of Change Agents Are They?” prepared for Chemical Week’s ISO 14000: Preparing for Change Conference, Houston, Texas, September 27, 1995.
- “Setting Environmental Goals: The View from Industry —A Review of Practices from the 60’s to the Present” (with Jennifer Howard), Commissioned by the National Research Council for the National Forum on Science and Technology Goals, July 1995.
- “Industrial Ecology: A Progress Report,” Plenary Address to the AT&T Industrial Ecology Conference, June 5-6, 1995, Princeton, NJ.
- “Science, Scientists and Chlorine: or It’s a Wicked World Out There,” prepared for The Future Uses of Chlorine: Symposium on the Role of the University, Massachusetts Institute of Technology, Cambridge, Massachusetts, November 14-15, 1994.
- “Industrial Ecology: A Strategic Framework for Product Policy and Other Sustainable Practices,” prepared for Green Goods, The Second International Conference on Product Oriented Policy, Stockholm, September 1994.
- “Environmental Excellence,” EG&G Environmental Institute, Wellesley, MA, July 1994
- “Excellence in a Changing Environmental World,” North American Gas Efficiency EXPO, Syracuse, NY, June 1994.
- “Urban Ecology: A Powerful Framework for Urban Planners and Policy Makers,” Second International Seminar on The Environmental Problems of Urban Centers - ECO URBS ‘93, São Paulo, Brazil, December, 1993.
- “Roles for Life Cycle Concepts in Environmental Management,” MIT Conference on Life Cycle Assessment, Cambridge, MA, November 4-5, 1993.
- “Take-back, Product-oriented Policy, and Design,” Electronics Industry Association Fall Conference, Chicago, IL, October 19, 1993.
- “Findings of the MIT/Norwegian Chlorine Policy Study,” Environment North Sea Conference, Stavanger, Norway, August 26, 1993.
- “Defining the Social Agenda: Developing Consensus Towards Durable Goods Recycling,” MIT International Motor Vehicle Program—Auto 21 Meeting, Cape Cod, MA, June 1993 (with J. Nash).
- “Corporate Organizational Design and Management Structure: How can DFE be Implanted Effectively,” IEEE International Symposium on Electronics and the Environment, Arlington, VA, May 10, 1993.
- “Sustainability in Business, and Industry,” MIT Faculty Seminar on Global Environment and Sustainable Development, April 28, 1993.

- “Life Cycle Analysis: What It Is and What It Can Do for You,” The Second Annual Congress on Environmentally-conscious Design and Manufacturing, Dearborn, MI, April 19, 1993.
- “Developing Corporate Strategic Responses to Environmental Trends,” Corporate Environmental Excellence Conference, The Conference Board, New York, March 31, 1993.
- “Beyond the Grave: Shaping a Policy for Durable Goods,” MIT Conference on Design and Disposal of Durable Products, Cambridge, MA, March 24-5, 1993
- “Findings from the MIT Chlorine Policy Study,” MIT International and Comparative Politics of the Environment Working Group, February 23, 1993
- “Implementing Industrial Ecology/Design for the Environment: Roles for the University,” National Academy of Engineering Workshop on: Industrial Ecology and Design for Environment, Woods Hole, MA, July 13-27, 1992.
- “The Interface Between Regulations and Pollution Prevention,” Technology Innovation and Economics Committee, NACEPT, USEPA, Washington, DC, March 11, 1992.
- “The MIT Program on Technology, Business, and Environment – Recent Research Findings,” United Technology Corporation Waste Reduction Symposium, Hartford, CT, November 21, 1991.
- “Environmental Markets: New Opportunities for Growth,” MIT Symposium on Global Environment and the Construction Industry,” Cambridge, MA, October 21, 1991.
- “The Emergence of an Environmental Industry,” Fletcher Faculty Environmental Research Seminar, Tufts University, Medford, MA, February 19, 1991.
- “Technology and the Environment: A Map or a Mobius Strip?” prepared for the World Resources Institute Symposium- Towards 2000-Environment, Technology and the New Century, Annapolis, Maryland, June 13-15, 1990.
- “Thoughts on Anticipating the Future—What Research is Needed?” National Academy of Sciences Workshop on Research Needs in Anticipation of Future Environmental Problems, June 15-15, 1989.
- “Lessons from the MIT Incineration Conference,” Coalition for Responsible Waste Incineration Seminar on Hazardous Waste Incineration, Washington, DC, May 1989.
- “Siting Hazardous Waste Incinerators,” Canadian American Committee /National Planning Association Biennial Meeting, Boston, March 31, 1989.
- “Social Impacts of Incinerating Hazardous Materials: Communicating Risk in a New Domain,” Invited paper, Rene Dubos One Earth Only Forum, NY, May 25-6, 1988.
- “Hazardous Substances Management: The MIT Approach,” MIT Industrial Liaison Program Symposium on Hazardous Waste Management, Cambridge, MA, May 14, 1987.
- “Future Planning Needs,” in Water Quality: The Crisis Facing Our Country’s Most Critical Resource, Conference Summary-1985 Annual Conference, Coalition of Northeast Governors, Washington, DC, 1985.
- “Economic Development or Economic Progress,” Federal Regional Council Conference on Water Resources and Economic Development, Ashland, MA, October 1980.
- “New England-Wide Issues in the 80's,” New England Water Works Association Annual Meeting, Monticello, NY, September 1980.
- “The Findings of the U. S. Water Resources Council’s Task Force on Planning Procedures and Plan Utilization,” Annual Meeting of the Interstate Conference on Water Problems, Cincinnati, OH, September 1980.

“Hydropower in New England,” Conference on Small Hydropower Projects and the Law, South Royalton, VT, May 1980. Also in Vermont Law School Review.

“The Role of River Basin Commissions in Comprehensive Water Resource Planning,” USA/USSR Symposium on River Basin Water Quality, Planning, and Management, Cambridge, MA, October 1979.

“The Environment: A Growing Constraint on Technological Forecasting,” Presented at the Seminar on Technological Forecasting Methods and Applications, Lake Placid, NY, June 1970.
